Barcode Reader							
COM Port	Barcode Read	er					Х
	COM Port		~				
Download Clear Copy to Clipboard	Download	Clear]	[Copy to	o Clipboar	ď

To scan the barcodes, attach the reader to your computer and select the port, if not selected by default. You can then click **Download** to load the scanned barcodes in the above window. To copy the barcodes, click **Copy to Clipboard**.

You can paste the barcodes in the filter field, paste them to a merch board slide, or wherever needed.

Note:

• You can press Ctrl + / (slash) keys to display the article details for the matching articles when scanning articles through the barcode reader. Pressing the same keys stops displaying the article details.
