

Quick filter

You can use the quick filter field to filter for articles with specific name, number, or attribute value. Once you start typing, matching values are displayed as shown in the below example:

The screenshot displays a product catalog interface with a search bar at the top containing the text "tech". Below the search bar, a dropdown menu is open, listing filter criteria for the search results. The criteria are:

- Style Name
- Contains tech
- Collection
- Tech
- Digital Catalog Style Name
- Tech Tank - Solid
- Tech Tank - Twist
- Style Family

The main content area shows a grid of product cards. The first section is titled "Tech Tank - Solid" and contains 12 colorways. The second section is titled "Tech Tank - Twist" and contains 2 colorways. Each card displays a placeholder image labeled "IMAGE NOT AVAILABLE", the product name, and a price. The status "Carryover" is shown for some items, and "New" is shown for others. The interface also includes a sidebar with navigation options like "Gender-Silhouette-Merch Class", "Adult Unisex", "Backpacks", "Boys", "Girls", "Mens", "Paris", "Unisex", and "Womens".

A maximum of 5000 results are displayed. You can click X next to the filter criteria to clear the articles.
