Enter the comment title and body text then click the **send** button. The comment is displayed as shown in the below example:

Other comments can be added to the same thread by other users as well as yourself. To close comments, click the slider next to *Resolve*.

You can also edit the comment title, or delete the comment by pressing the **Delete** button from the keyboard or clicking the respective button in the above window.

You can mention any of the teammates with whom you shared the whiteboard and view the mentions within the **Comments** section. To tag a user, use the @ symbol and start typing the name of the user as shown in the below example:

| Frame 1   |            |
