

Add allocation group

To add a new allocation group, follow these steps:

1. Click , the following window appears:

The screenshot shows a dialog box titled "Create Allocation Groups" with a close button (X) in the top right corner. The dialog contains two input fields: "Allocation Group Name *" and "Article Number *". The "Allocation Group Name" field is currently empty. At the bottom of the dialog, there are three buttons: "CANCEL", "SAVE", and "SAVE AND NEW". The "CANCEL" button is dark grey, while "SAVE" and "SAVE AND NEW" are light grey.

2. Enter a name for the allocation group,
3. Enter the article number or paste it into the "Article Number" field, the window validates the article number as it is entered:
 - If the article number is valid, the **Save** button is activated as shown below:

Create Allocation Groups ✕

Allocation Group Name *

Allocation Group 3

Article Number *

101010|

CANCEL **SAVE** **SAVE AND NEW**

- If the article number is invalid, a message is displayed informing you so as shown below:

Create Allocation Groups ✕

Allocation Group Name *

Allocation Group 3

Article Number *

Invalid Article Number(s) (won't be assigned)

99999

CANCEL SAVE SAVE AND NEW

Re-enter a valid article number.

4. Click **Save** to add the selected article and close the window or **Save and New** to add it and open a new window.

The allocation group is added and you can edit or delete it.
