

Assign segmentations to articles - Linear view

You can assign multiple segmentations to multiple articles. To do so, follow these steps:

1. Click , the following window appears:

The screenshot shows a dialog box titled "Assign Article Segmentations" with a close button (X) in the top right corner. The dialog contains the following elements:

- An input field labeled "Article Number" with a horizontal line below it.
- A toggle switch labeled "Open" with a white circle on the left.
- An input field labeled "Segmentation Name" with a horizontal line below it.
- At the bottom right, there are two buttons: "CANCEL" (dark grey) and "SAVE" (light grey).

2. Select the articles you want from the designated field,
3. Click the slider button next to Open to assign all the segmentations, if you want,
4. Select the segmentations you want from the Segmentation name field, you can select more than one,
5. Click **Save** to assign the segmentations to articles.
