

View attribute

To view any of the existing attributes, click its record or select View record from the Actions menu next to it, the following window appears:

The screenshot shows a web interface for viewing an attribute. At the top, there are two tabs: 'Attribute' (selected) and 'Attribute Group'. The main content area is titled 'Age Group' and contains a list of attribute details in two columns. Each detail has a label and a value or a control. A red circular icon with a pencil is visible in the bottom right corner.

Attribute	Value	Attribute	Value
Id	239	Attribute Name	Age Group
System Name	Age_Group	Attribute Type Id	1
Initial Value Attribute	(blank)	Validation Expression	(blank)
Validation Message	(blank)	Is Required	<input type="checkbox"/> False
Editable	<input checked="" type="checkbox"/> True	Creatable	<input checked="" type="checkbox"/> True
Visible	<input checked="" type="checkbox"/> True	Visible in List by Default	<input checked="" type="checkbox"/> True
Show in Edit	<input checked="" type="checkbox"/> True	Support Filter Lookup	<input type="checkbox"/> False

The attribute information is displayed such as its name, system name, and flags. To view the attribute groups to which the attribute is assigned, go to **Attribute group** tab, the following page appears:

The screenshot shows a web interface for managing 'Attribute Groups'. At the top, there are tabs for 'Attribute' and 'Attribute Group', with 'Attribute Group' being the active tab. Below the tabs is a toolbar with a selection checkbox, a refresh icon, and a status indicator '0 of 1 Selected'. The main content is a table with the following structure:

Group Name	Group Table	Updated Date	Created Date	Actions
<input type="checkbox"/> Attribute_Group_TW	attributegroup_dynamic_Attribute_Group_TW	Jul 5, 2018	Jul 5, 2018	

Attribute groups are displayed for each one, the group table, updated date and created date. Attribute groups are discussed in details in the next section.
