## Activate color palette

To activate any of the deleted color palettes, follow these steps:

1. Select the palette you want to activate by following any of these methods:

   - Select "Activate Record" from the Actions menu next to the palette you want to activate,
   - Click the checkbox on top of the records to select all palettes then click the **Activate** button,
   - Click the checkbox(es) next to the palettes you want then click the **Activate** button,

The following message appears showing the number of selected records:

2. Click **Activate Record** to confirm activating the palette. Its status changes to "Active".
