

Add catalog configuration

To add a configuration to the catalog, follow these steps:

1. Click , the following window appears:

A dialog box titled "New Configuration" with a blue header bar containing a close button (X). The main area is white and contains two input fields: "Configuration*" and "Value*". The "Configuration*" field is on the left and the "Value*" field is on the right. At the bottom of the dialog, there is a light gray bar containing three buttons: "CANCEL" (dark gray), "SAVE" (light gray), and "SAVE AND NEW" (light gray).

2. Start typing the configuration or click the field and select the configuration you want,
3. Enter the value,
4. Click **Save** to add the configuration and close the window, or **Save and new** to add it and open a new window.
