

Add relation type

To add a new relation type, click the add button, the following window appears:

The screenshot shows a 'New Record' window with a blue header and a close button (X) in the top right corner. Below the header is a search bar with a magnifying glass icon and the text 'Search'. The main content area contains two text input fields. The first field is labeled 'Name*' in red, with a red underline and the text 'Field required' below it. To the right of this field is the text '0 / 500'. The second field is labeled 'Reversed Name' and also has '0 / 500' to its right. At the bottom of the window, there are three buttons: 'CANCEL' (dark grey), 'SAVE' (light grey), and 'SAVE AND NEW' (light grey).

Enter the name of the relation type, and the reserved name, each in its field then click **Save** to add it and close the window, or **Save and new** to add it and open a new window. The relation type is added to the list.
