

Add segmentation group

To add a segmentation group, follow these steps:

1. Click , the following window appears:

A screenshot of a 'New Segmentation Group' dialog box. The dialog has a blue header bar with the title 'New Segmentation Group' and a close button (X) on the right. Below the header, there is a text input field labeled 'Segmentation Group *' with a character count '0 / 100' to its right. Below this is another text input field labeled 'Segmentations'. At the bottom of the dialog, there are three buttons: 'CANCEL' (dark blue), 'SAVE' (light gray), and 'SAVE AND NEW' (light gray).

2. Enter the segmentation group name,
3. Select the segmentations,
4. Click **Save** to add the group and close the window, or **Save and New** to add it and open a new window.
