## Delete color palette

To delete a color palette, follow these steps:

1. Select the palette you want to delete by following any of these methods:

   - Select "Delete Record" from the Actions menu next to the palette you want to delete,
   - Click the checkbox on top of the records to select all palettes then click the **Delete** button,
   - Click the checkbox(es) next to the palettes you want then click the **Delete** button,

The following message appears showing the number of selected records:

2. Click **Delete Record** to confirm deleting the palette. Its status changes to "Inactive". You can activate the color palette by following the steps mentioned in "Activate color palette".
