

Edit color palette

To edit a color palette, select Edit record from the Actions menu next to the palette you want, the following window appears:

The dialog box is titled "Update Color Palette" with a close button (X) in the top right corner. It contains the following fields and controls:

- Name ***: A text input field containing "Palette1".
- Colors**: A section containing two color tags: "BLACK" and "RED", each with a close button (X).
- Color Criteria**: A section containing a table with the following structure:

Attribute	
Gender	Mens
- Buttons**: "CANCEL" and "SAVE" buttons at the bottom right.

Update any of the displayed information. You can also add more attributes or delete any of the existing ones, then click **Save**.
