

## Edit segmentation group

To update any of the existing segmentation groups, select Edit record from the Actions menu next to it, its details are displayed as shown in the below example:

The screenshot shows a modal dialog titled "Update Segmentation Group" with a close button (X) in the top right corner. Inside the dialog, the word "Segmentations" is displayed above two tags: "Segmentation-1" and "Segmentation-2", each with a small "X" icon to its right. Below these tags is a horizontal line, likely a text input field. At the bottom right of the dialog are two buttons: "CANCEL" and "SAVE".

Update the segmentations then click **Save**.
