

Linked catalogs

Through this tab, you can view the catalogs linked to the selected catalog as shown in the below example:

< test Attributes Request Reasons Bucket Attributes Restrict Bucket Attributes Linked Catalogs Color Palette Color Definition Relation Types >				
<div><input type="checkbox"/> <input type="checkbox"/> 0 of 1 Selected <div>⋮ ↺</div></div>				
Catalog Name ⌵	Reference Catalog ⌵	Status ⌵	Updated Date ⌵	Actions
<input type="checkbox"/> Trasix FW23		<div><div></div>Active</div>	<div><div></div>Aug 2, 2023</div>	<div>⋮</div>

Catalogs are listed along with the reference catalog, status, and updated date. Catalogs are linked during the catalog definition phase.
