

Set sizes (bulk) by licensee style number

Through this option, you can upload a file with multiple size scales to assign to licensee styles. The size scale and licensee style number should be mapped. To import a file with size scales, follow these steps:

1. Click **Set sizes (bulk) by licensee style number** button, the following window appears:

The screenshot shows a window titled "Import Data" with a blue header bar and a close button (X) in the top right corner. Below the header is a progress bar with seven steps: 1. File (active, highlighted with a blue circle), 2. Sheet, 3. Mapping, 4. Filter (checked), 5. Validation, 6. Information (checked), and 7. Information. The main content area has two radio buttons: "Last Used File" (unselected) and "New File" (selected). Below the radio buttons is a text field labeled "Filename:" with the placeholder "[none]" and a "SELECT..." button to its right. At the bottom of the window are two buttons: "BACK" and "NEXT".

2. Click **Select** to browse for the file you want to import,
3. Select the file then click **Open**, the name of the file you selected appears in its field, click **Next**, the following window appears:

The screenshot shows a software window titled "Import Data" with a blue header bar and a close button (X) in the top right corner. Below the header is a progress bar with six steps: "File", "Sheet", "Mapping", "Filter", "Validation", and "Information". The "Mapping" step is the current active step, indicated by a blue circle with the number "3". The other steps are marked with checkmarks. Below the progress bar, the text "Please select the sheet that contains the data you wish to import" is displayed. Underneath this text is a dropdown menu with the text "size scales" and a downward arrow. At the bottom of the window, there are two blue buttons labeled "BACK" and "NEXT".

You can click **Back** to return to the previous window.

4. Select the sheet you want from the dropdown list in case your Excel file contains more than one sheet,
5. Click **Next**, the following window appears:
