

## View customer segmentations

To view the segmentations assigned to a customer, click the customer record or select “View Record” from the Actions menu, the following window appears:

The screenshot shows a web application interface with a navigation bar at the top containing 'Customer', 'Segmentations', 'Favorites', and 'Locations'. The 'Segmentations' tab is active. Below the navigation bar is a toolbar with icons for selection, refresh, delete, and undo, along with a '0 of 1 Selected' indicator. To the right of the toolbar are icons for filter, list view, and refresh. Below the toolbar is a table with the following columns: Name, Status, Updated Date, and Actions. The table contains one row with the following data:

Name	Status	Updated Date	Actions
Segmentation-1	Active	Jan 30, 2018	

A red circular button with a white arrow icon is located in the bottom right corner of the window.

The segmentations assigned to this customer are listed. For each one, its status and updated date are displayed according to the columns you have chosen to show using the Column chooser.
