

Images

Through this page you can manage article images by adding images to articles, uploading a folder of images linked to articles or updating and deleting existing ones. Image types are defined for each seller and you can upload images for articles under these types.

Select the catalog from the Active catalog menu then click **Images** from the left side menu, the following page appears:

The screenshot shows a web interface for managing images. At the top, there is a toolbar with icons for selection, refresh, delete, undo, and redo, along with a status indicator '0 of 2 Selected'. Below the toolbar is a table with the following columns: Image Name, Image Id, Image Type, Article Number, Article Name, Status, Updated Date, and Actions. Two rows of data are visible:

Image Name	Image Id	Image Type	Article Number	Article Name	Status	Updated Date	Actions
112211_front.jpg	2	Front image	112211	T-shirt	Active	Jan 18, 2018	⋮
101010_front.jpg	1	Front image	101010	Training Shoes	Inactive	Jan 18, 2018	⋮

A red circular button with a white plus sign is located in the bottom right corner of the interface.

Images added to the selected catalog articles are listed. For each one, the image Id, image type, article number, article name, status and update date are displayed according to the columns you have chosen to show using the Column chooser.

You can view an image, add a new image, upload a folder of images, update or delete any of the images as discussed next.
