

## Update order line

To update an order line, follow these steps:

1. Select "Edit Record" from the Actions menu next to the order line you want to update, or view the order line then click the **Edit** button, the following window appears:

The screenshot shows a window titled "Edit Order Line" with a close button (X) in the top right corner. The window contains the following fields and controls:

- Article Id \***: A text input field containing "101010" with a clear button (X) to its right.
- Delivery Date \***: A date input field containing "Apr 1, 2019" with a clear button (X) to its right.
- Comment**: A large text area for entering comments, with a character count "0 / 2000" at the bottom right.
- Table**: A table with two columns for quantities. The first column has a checkbox and the label "VAS01" with a character count "0 / 2000". The second and third columns have headers "37" and "38" respectively, and both contain the value "50".
- Buttons**: "CANCEL" and "SAVE" buttons are located at the bottom right of the window.

2. Update the quantities, if you want,
3. Click **Save**, a message appears on the page informing you that the record is updated successfully.
