

Seller styles

Through this module, you can manage styles at the seller level and define attribute values for those styles then add colorways to those styles. Go to **Seller styles**, the following window appears:

Style Id	Style Number	Style Name	Sub-Category (End Use)	Fit Type	Gender	Actions
<input type="checkbox"/>	130,971	NN6006991	jacket	Corporate	Loose	Unisex
<input type="checkbox"/>	130,969	NN6006990	jacket	Corporate	Loose	Unisex
<input type="checkbox"/>	130,967	NN6006989	jacket	Corporate	Loose	Unisex
<input type="checkbox"/>	130,965	NN6006988	jacket	Corporate	Loose	Unisex
<input type="checkbox"/>	130,963	NN6006987	jacket	Corporate	Loose	Unisex
<input type="checkbox"/>	130,961	NN6006986	jacket	Sportstyle	Loose	Womens
<input type="checkbox"/>	130,959	NN6006985	jacket	Corporate	Loose	Unisex
<input type="checkbox"/>	130,957	NN6006984	jacket	Corporate	Loose	Unisex
<input type="checkbox"/>	130,955	NN6006983	jacket	Global Football	Fitted	Mens
<input type="checkbox"/>	130,953	NN6006982	jacket	Global Football	Fitted	Mens
<input type="checkbox"/>	130,951	NN6006981	jacket	Corporate	Loose	Unisex
<input type="checkbox"/>	130,949	NN6006980	jacket	Golf	Loose	Mens

Styles are listed, for each one the style Id, number, and attributes are displayed. Seller styles cannot be deleted. The following sections discuss how to add and update styles, and set sizes to styles.
