

Add color

To add a color, follow these steps:

1. Click , the following window appears:

The screenshot shows a 'New Record' form with a blue header and a close button (X) in the top right corner. Below the header is a search bar with a magnifying glass icon and the text 'Search'. The form contains four input fields arranged in two rows. The first row has 'Color Name*' on the left and 'Color Code*' on the right. The 'Color Name*' field has a red underline and the text 'Field required' and '0 / 100' below it. The 'Color Code*' field has the value '0' entered. The second row has 'Hex Code' on the left and 'Color Group' on the right. The 'Hex Code' field has '0 / 7' below it, and the 'Color Group' field has '0 / 250' below it. At the bottom of the form are three buttons: 'CANCEL' (dark blue), 'SAVE' (light grey), and 'SAVE AND NEW' (light grey).

2. Enter the color name and color code, each in its field,
3. Enter the hex code and color group, if you want,
4. Click **Save** if you want to add the color and close the window, or **Save and new** if you want to add it and open a new window. The color is added to the list.
