

Add image type

To add a new resource type, follow these steps:

1. Click the **Add** button, the following window appears:

The screenshot shows a 'New Record' dialog box with a blue header and a close button (X) in the top right corner. The main area contains three input fields: 'Type*' (with a red underline and 'Field required' below it, and a character count of '0 / 50'), 'Expression*' (with a character count of '0 / 100'), and 'Sort Order'. At the bottom, there are three buttons: 'CANCEL' (dark grey), 'SAVE' (light grey), and 'SAVE AND NEW' (light grey).

2. Enter the type and expression, the **Save** buttons are activated,
3. Enter the sort order if you want,
4. Click **Save** to add the resource type and close the window, or **Save and New** to add it and open a new window.
