

Add lookup table

To add a lookup table, follow these steps:

1. Click , the following window appears:

The 'New Lookup' dialog box is shown with a blue header bar containing the title 'New Lookup' and a close button (X). The main area contains four input fields: 'Name *' with a character count '0 / 500', 'Attribute Group Name *', 'Source Attributes*', and 'Destination Attributes*'. Each field has a light gray placeholder bar. At the bottom right, there are two buttons: 'CANCEL' and 'SAVE'.

2. Enter the lookup table name,
3. Select the attribute group name,
4. Select the source attributes and destination attributes, each from its field,
5. Click **Save**. The lookup table definition is added to the list.
