

Delete seller customer

To delete a seller customer, follow these steps:

1. Select the customer you want to delete by following any of these methods:
 - Select “Delete Record” from the Actions menu next to the customer you want to delete,
 - Click the checkbox on top of the records to select all customers then click the **Delete** button,
 - Click the checkbox(es) next to the customers you want then click the **Delete** button,

The following message appears showing the number of selected records:

2. Click **Delete Record** to confirm deleting the customer. Its status changes to “Inactive”. You can activate the customer by following the steps mentioned in [“Activate seller customer”](#).
