

Edit master size scale

To edit any of the existing size scales, select Edit record from the Actions menu next to it, its details are displayed as shown in the below example:

The screenshot shows a modal window titled "Edit Record" with a close button (X) in the top right corner. Inside the modal, there is a search bar with a magnifying glass icon and the placeholder text "Search". Below the search bar, the "Size Scale" field is labeled "Size Scale *" and contains the text "Women". To the right of this field, the text "5 / 400" is displayed. Below the "Size Scale" field, the "Sizes" section is labeled "Sizes". It contains four tags: "small x", "medium x", "large x", and "xlarge x". To the right of these tags, the text "Use enter to add value" is displayed. At the bottom right of the modal, there are two buttons: "CANCEL" and "SAVE".

You can update the size scale name and list of sizes, and you can also list the obsolete sizes or set the whole size scale as obsolete. When setting sizes, obsolete master size scales and sizes are not displayed in the dropdown lists. Update any of the displayed information then click **Save**.
