

Order types

Through this tab, you can define order types for the selected seller. Order types can be selected when approving orders by the authorized users. Go to **Order types**, the following page appears:

Order Type	Status	Actions
<input type="checkbox"/> type01	Active	⋮
<input type="checkbox"/> type02	Active	⋮

Order types are listed, for each one the status is displayed. You can add a new order type, edit, delete, or activate any of the existing ones as mentioned in the coming sections.
