

View lookup table

To view the lookup table details, click its record or select “View record” from the Actions menu next to it, its details are displayed as shown in the below example:

The screenshot shows a user interface for viewing a lookup table record. At the top, there are two tabs: "Lookup Table" (which is selected) and "Values". Below the tabs, the title "Lookup1" is displayed on the left, and a refresh icon is on the right. The main content area is divided into two columns. The left column contains the following fields: "Id" with the value "14", "Attribute Group Name" with the value "Attributes", "Destination Attributes" with the value "Colorway|Department|Class", "Updated Date" with the value "Dec 7, 2022", and "UpdatedBy" with a greyed-out field. The right column contains the following fields: "Name" with the value "Lookup1", "Source Attributes" with the value "article_type|ColourwayGroup|LogoColor|Team", "Created Date" with the value "Dec 7, 2022", and "CreatedBy" with a greyed-out field.

Lookup table details are displayed, such as the source and destination attributes. You can also view the values of these attributes by going to the respective tab as shown in the below example:
