

Add target

To add a target, follow these steps:

1. Click , the following window appears:

The screenshot shows a 'New Target' dialog box with a blue header and a close button. The dialog is divided into two main sections: 'SKU Targets *' and 'Style Targets *'. The 'Style Targets *' section contains a 'Targeted Attributes' box with two input fields: 'Targeted Attribute 1 *' and 'Value 1 *'. The 'SKU Targets *' section contains an 'Aggregate Attributes' box with two input fields: 'Aggregate Attribute 1 *' and 'Target 1 *'. At the bottom of the dialog, there are three buttons: 'CANCEL', 'SAVE', and 'SAVE AND NEW'.

2. Enter the style targets,
3. Select the targeted attribute and enter its value, you can repeat this step and add as many attributes as needed,
4. Select the aggregate attribute and enter its value, if you want, you can repeat this step and add as many attributes as needed,
5. Click **Save** to add the target and close the window, or **Save and New** to add it and open a new window. The target is added to the list.
