

## Assign segmentations to articles - Linear view

You can assign multiple segmentations to multiple articles. To do so, follow these steps:

1. Click , the following window appears:

The dialog box titled "Assign Article Segmentations" has a blue header bar with a close button (X) in the top right corner. The main content area is white and contains two input fields: "Article Number" and "Segmentation Name", each with a horizontal line below it for text entry. Between these fields is a toggle switch labeled "Open", which is currently in the "off" position. At the bottom right of the dialog, there are two buttons: a dark blue "CANCEL" button and a light gray "SAVE" button.

2. Select the articles you want from the designated field,
3. Click the slider button next to Open to assign all the segmentations, if you want,
4. Select the segmentations you want from the Segmentation name field, you can select more than one,
5. Click **Save** to assign the segmentations to articles.
