

View attribute

To view any of the existing attributes, click its record or select View record from the Actions menu next to it, the following window appears:

The screenshot shows a web interface for viewing an attribute. At the top, there are two tabs: 'Attribute' (selected) and 'Attribute Group'. The main content area is titled 'Age Group' and contains a list of attribute details in two columns. Each detail has a label and a value or a control. A red circular edit icon is located in the bottom right corner of the window.
