

Edit attribute vetting list

To edit the list of values for an attribute, follow these steps:

1. Select “Edit Record” next to the attribute you want, the window appears as shown below:

The screenshot shows a modal window titled "Edit Record" with a close button (X) in the top right corner. The window is divided into two main sections: "Values" and "Criteria".

Values: This section contains a list of three items: "short", "skirt", and "tshirt", each with a small "x" icon to its right. To the right of these items is the text "Use enter to add value". Below this list is a horizontal line.

Criteria: This section is currently empty and is separated from the "Values" section by a horizontal line.

At the bottom right of the window, there are two buttons: a dark grey "CANCEL" button and a blue "SAVE" button.

2. Update any of the displayed information,
3. Click **Save**.
