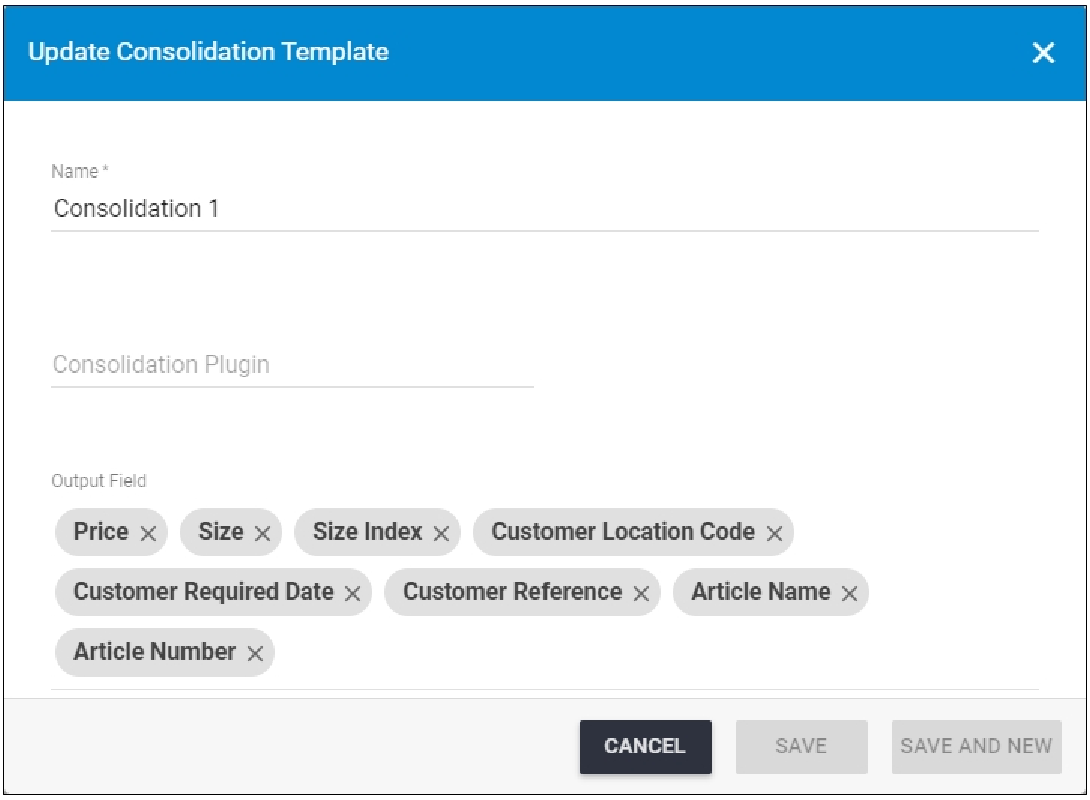
Update consolidation template

Note:

- Only consolidation templates that are not used before for consolidating orders can be updated. If the consolidation template is used, edit options are deactivated.

To update a consolidation template, follow these steps:

1. Select “Edit Record” from the Actions menu next to the template you want or view the consolidation template then click , the following window appears:



2. Update any of the displayed information,
3. Click **Save** to save the changes.
