

To assign a segmentation to a customer, follow these steps:

1. View the segmentation then click , the following window appears:

The image shows a 'New Record' dialog box with a blue header bar containing the title 'New Record' and a close button (X). The main area is white and contains a text input field labeled 'Segmentation Id \*'. At the bottom, there is a light gray bar with three buttons: 'CANCEL' (dark gray), 'SAVE' (light gray), and 'SAVE AND NEW' (light gray).

- Click the “Segmentation Id” field then select the segmentation you want,
- Click **Save** to add the segmentation and close the window, or **Save and New** to add it and open a new window. The segmentation is added to the list.
