

To assign a segmentation to a customer, follow these steps:

1. View the segmentation then click , the following window appears:

The screenshot shows a 'New Record' dialog box. The title bar is blue and contains the text 'New Record' and a close button (X). The main area is white and contains a text input field with the label 'Segmentation Id \*'. At the bottom right, there are three buttons: 'CANCEL', 'SAVE', and 'SAVE AND NEW'.

- Click the “Segmentation Id” field then select the segmentation you want,
- Click **Save** to add the segmentation and close the window, or **Save and New** to add it and open a new window. The segmentation is added to the list.
