

To assign a segmentation to a customer, follow these steps:

1. View the segmentation then click , the following window appears:

The screenshot shows a modal dialog box titled "New Record". The dialog has a blue header bar with the text "New Record" on the left and a close button (an 'X' icon) on the right. Below the header is a large white area containing a text input field with the placeholder text "Segmentation Id *". At the bottom of the dialog, there is a light gray footer area containing three buttons: "CANCEL" (dark gray), "SAVE" (light gray), and "SAVE AND NEW" (light gray).

- Click the "Segmentation Id" field then select the segmentation you want,
- Click **Save** to add the segmentation and close the window, or **Save and New** to add it and open a new window. The segmentation is added to the list.
