

## Assign segmentations to customers - Linear view

You can assign multiple segmentations to multiple customers. To do so, follow these steps:

1. Click , the following window appears:

A dialog box titled "Assign Customer Segmentations" with a blue header bar containing a close button (X). The main area is white and contains two input fields: "Customer Number" and "Segmentation Name", each with a horizontal line below it for text entry. At the bottom right, there are two buttons: "CANCEL" (dark blue) and "SAVE" (light gray).

Assign Customer Segmentations

Customer Number

Segmentation Name

CANCEL SAVE

2. Click the "Customer Number" field and select the number you want, you can select more than one,
3. Click the "Segmentation Id" field then select the segmentation you want, you can select more than one,
4. Click **Save** to assign the segmentations to customers.
