

## Request details

To view any of the requests, click its record or select “View Record” from the Actions menu next to it, the request details appears as shown below:

The screenshot shows a web interface for viewing request details. At the top, there are three tabs: "Request" (selected), "Participants", and "Attachments". Below the tabs, the request ID "668165" is displayed next to a green "Active" status indicator. To the right of the ID are three icons: a trash can, a refresh icon, and a share icon. The main content area is divided into two columns of fields:

<b>Id</b> 13,984	<b>Object Id</b> 668,165
<b>Channel Id</b>	<b>Channel</b> (blank)
<b>Article Number</b> 1373550-001	<b>Status</b> ● Active
<b>State</b> Approved	<b>Created Date</b> 📅 Aug 11, 2022
<b>Updated Date</b> 📅 Aug 11, 2022	<b>Created By</b> 1,066
<b>Updated By</b> 1,066	<b>Created By User Name</b> [Redacted]
<b>Updated By User Name</b> [Redacted]	<b>Catalog Code</b> 239
<b>Catalog Name</b>	<b>Request Type</b>

Request details in addition to the suggested change are displayed and you can view the list of users who participated in the request by going to the **Participants** tab as shown in the below example:

Request <b>Participants</b> Attachments						
User Id	User Name	Status	Updated Date	Updated By User Name	Actions	
<input type="checkbox"/> 1066		Active	Aug 11, 2022			

The list of users who participated in the selected request is displayed, for each one, the user Id, status, and updated date and updated by username are displayed. You can also endorse your own requests in T1 Studio and a new record is created in the above page for each endorsement. You can delete any of the participants or requests and these changes are reflected on T1 Studio.

You can also view attachments added to the request through the **Attachments** tab as shown in the below example:

Request						
Participants						
Attachments						
0 of 1 Selected						
Id	File Name	File Path	Status	Updated Date	Updated By	Actions
432	.jpg	https://	Active	Aug 17, 2022	1,066	

You can view any of the attachments, download it, or delete it by using the required action from the actions menu.

If the request type is for adding a new article another tab appears to view the changes done on requests as shown in the below example:

The screenshot displays a software interface with a 'History' tab selected. The interface shows a vertical timeline on the left with two entries, both dated 'Aug 11, 2022' at '7:56 PM' and '7:55 PM' respectively. The top entry is associated with the user 'l@trasix.com' and shows a change to the attribute 'customer\_attr\_rqst' with a value of '.COM - NAM'. The bottom entry is associated with the user '@trasix.com' and shows a change to the attribute '\_ColorId' with a value of '3'. In the top right corner of the history panel, there is a blue 'History' button and a circular refresh icon.

Changes done to the selected article are displayed as a timeline, mentioning the date, time, and the user who performed the change. You can click the **Refresh** button to refresh the list.
