

Activate resources

To activate any of the deleted resources, follow these steps:

1. Select the resources you want to activate by following any of these methods:
 - Select “Activate Record” from the Actions menu next to the resource you want to activate,
 - Click the checkbox on top of the records to select all resources then click the **Activate** button,
 - Click the checkbox(es) next to the resource you want then click the **Activate** button,

The following message appears showing the number of selected resources:

You can click **Cancel** to keep the records inactive.

2. Click **Activate Record** to confirm activating the resources. The resource status changes to “Active”.
