

Add target

To add a target, follow these steps:

1. Click , the following window appears:

The screenshot shows a 'New Target' dialog box with a blue header bar containing the text 'New Target' and a close button (X). The main content area is white and contains several input fields arranged in a grid-like fashion. The first row has 'Pre Style' with a dropdown arrow and 'Pre Article'. The second row has 'Pre Productivity' and 'Pre Whsl Rev'. The third row has 'Pre Margin' and 'Style'. The bottom row has 'Article' and 'Productivity'. At the bottom of the dialog, there are three buttons: 'CANCEL', 'SAVE', and 'SAVE AND NEW'.

2. Enter the values for the previous and coming seasons,
3. Scroll down to add the target attributes as shown in the below example:

Attribute	Value
Article	Productivity
Whsl Rev	Margin
Attributes 1 *	Value1 *

CANCEL **SAVE** **SAVE AND NEW**

4. Select the attribute you want to add to the target and its value, the window expands to enable you to add another attribute, you can add as many attributes as you want,
5. Click **Save** to add the target and close the window, or **Save and New** to add it and open a new window. The target is added to the list.
