

Add resource

You can add any of the resources uploaded to T1 such as videos or PDF files to your slide, follow these steps:

1. Select Add Resource from the **Insert** menu, the following window appears:

A screenshot of a dialog box titled "Add Resource" with a close button (X) in the top right corner. Inside the dialog, there is a label "RESOURCE" above a text input field. The input field contains the word "Select" and a downward arrow icon on the right side. Below the input field, there are two buttons: "CANCEL" on the left and "ADD" on the right. The "ADD" button is highlighted with a gray background.

2. Select the resource you want, once you start typing the resource title, the matching resources are populated and you can select the one you want,
3. Click **Add**, an icon appears on the slide depending on the resource type and you can double-click the icon to view the file.
