

Add resource

You can add any of the resources uploaded to T1 such as videos or PDF files to your slide, follow these steps:

1. Select Add Resource from the **Insert** menu, the following window appears:

The screenshot shows a dialog box titled "Add Resource" with a close button (X) in the top right corner. Below the title bar, the word "RESOURCE" is displayed above a text input field. The input field contains the text "Select" and a small downward-pointing arrow on the right side. Below the input field, there are two buttons: "CANCEL" on the left and "ADD" on the right.

2. Select the resource you want, once you start typing the resource title, the matching resources are populated and you can select the one you want,
3. Click **Add**, an icon appears on the slide depending on the resource type and you can double-click the icon to view the file.
