

Register to T1 Studio

As a buyer user, you can register to T1 Studio. When you first start the application, the following window appears:

Through this window, you can either log in to T1 Studio or Register. To register, follow the below steps:

1. Click **Register Now**, the following window appears:

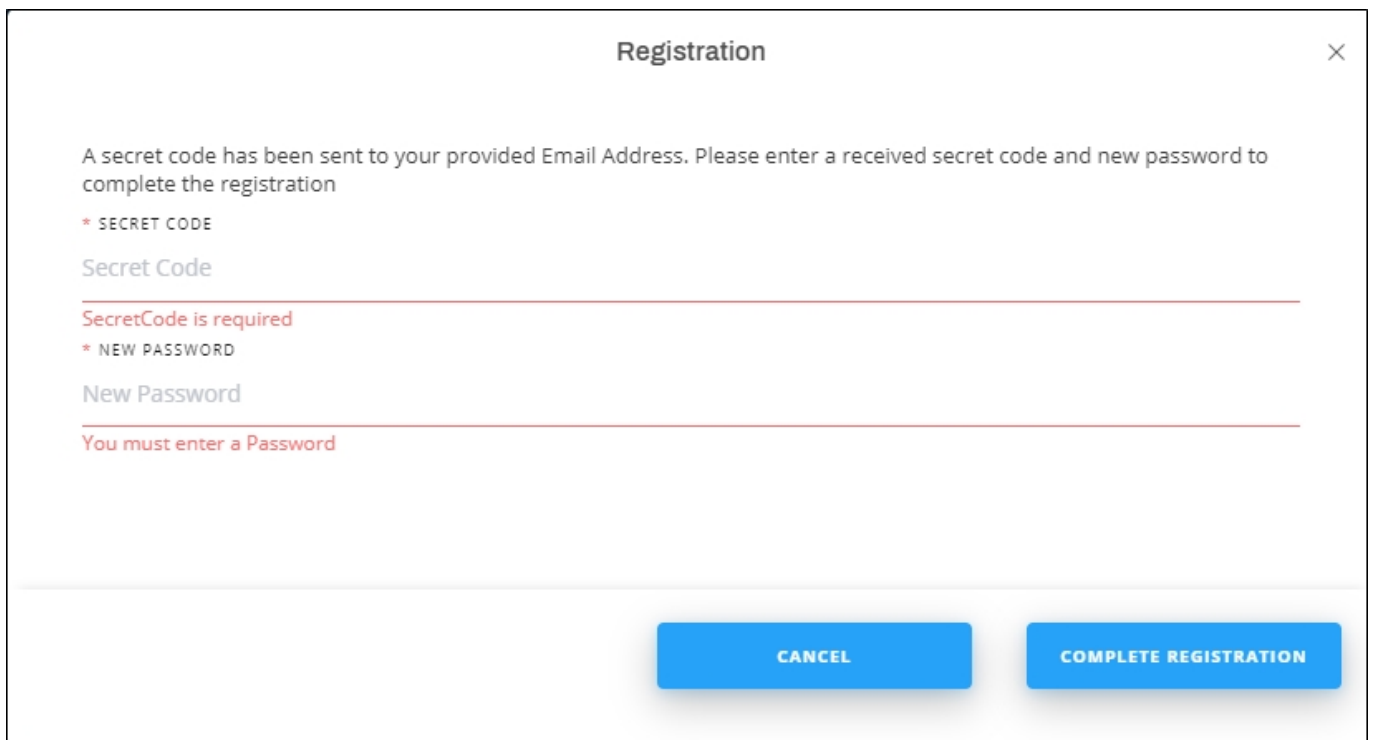

The image shows a 'Registration' window with a close button (X) in the top right corner. The form contains a single input field labeled '* USERNAME' with the text 'UserName' entered. A red horizontal line is drawn below the input field, and a red error message 'You must enter an e-mail address' is displayed below the line. At the bottom of the window, there are two buttons: a blue 'CANCEL' button and a greyed-out 'NEXT' button.

2. Enter your email in the Username field, then click **Next**, the following window appears:

The image shows a 'Registration' window with a close button (X) in the top right corner. The form contains six input fields arranged in two columns. The left column has fields for '* FIRST NAME' (containing 'First Name'), '* COMPANY NAME' (containing 'Company Name'), and '* CUSTOMER CODE' (containing 'Customer Code'). The right column has fields for '* LAST NAME' (containing 'Last Name'), '* COUNTRY' (a dropdown menu showing 'Country'), and '* ACTIVATION CODE' (containing 'Activation code'). A red error message 'FirstName is required' is displayed below the 'First Name' field. At the bottom of the window, there are two blue buttons: 'CANCEL' and 'REGISTER'.

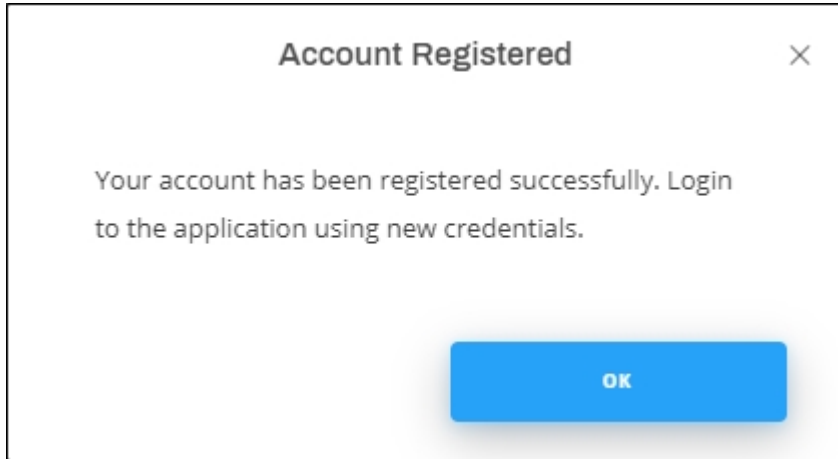

3. Enter your first name and last name, each in its field,

4. Enter the company name,
5. Select your country from the Country dropdown list,
6. Enter the customer code and the activation code in the respective fields. These two unique codes are provided to you by the seller and they are linked to each other which means that the activation code cannot be used with another customer code,
7. Click **Register**, the following window appears:

The screenshot shows a 'Registration' window with a close button (X) in the top right corner. The main text reads: 'A secret code has been sent to your provided Email Address. Please enter a received secret code and new password to complete the registration'. Below this, there are two input fields. The first is labeled 'Secret Code' with a red asterisk and the text '* SECRET CODE' above it. A red error message 'SecretCode is required' is displayed below the input field. The second is labeled 'New Password' with a red asterisk and the text '* NEW PASSWORD' above it. A red error message 'You must enter a Password' is displayed below the input field. At the bottom of the window, there are two blue buttons: 'CANCEL' on the left and 'COMPLETE REGISTRATION' on the right.

8. Fill the code that was sent to your email in the "Secret Code" field,
9. Enter the password you want to use for your account,
10. Click **Complete Registration**, the following message appears:

11. Click **Ok**, you can now log in to your account by following the steps mentioned in the next section.
